**SUGA RECEIVES “BEST SMALL-CAP” OF THE YEAR AWARD  
IN *FINANCEASIA*’S 2009 ASIA’S BEST MANAGED COMPANIES POLL – HONG KONG**

(HONG KONG, 4 May, 2009) – **SUGA International Holdings Limited** (“SUGA” / the “Group”) (stock code: 912), a leading Electronic Manufacturing Services provider, placed second in the “Best Small-cap” company (Hong Kong) in the 2009 “Asia’s Best Managed Companies Poll” conducted by the leading financial magazine in Asia Pacific *FinanceAsia*.

**Mr. C.H. Ng, Chairman of SUGA**, said, “We are honoured to receive the accolade which represents the recognition and support from the investment community for the Group’s hard work and achievements in running an efficient corporation. Looking ahead, we will continue to enhance product innovation and expand our business with the aim of generating the greatest value for our shareholders and investors.”

*FinanceAsia* started conducting the annual poll on Asia’s top companies nine years ago. The poll gathers opinions and votes of 238 major investment professionals and financial analysts in the Asia-Pacific region this year on the region's best managed companies. Companies were rated on overall management, corporate governance, investor relations and commitment to strong dividend payments, etc.

- The End -

**About SUGA:**

SUGA is an Asian-based electronic manufacturing services (EMS) provider, and was listed on the Hong Kong Stock Exchange in September 2002. SUGA engages mainly in the research and development, manufacture and sale of electronic products, including pet training devices, digital A/V products, networking devices, telecommunication products and PCB assemblies of home appliances, etc. From R&D to logistics arrangements, SUGA provides customers with a total and proactive solution. Currently, SUGA has many well-known customers, including **Radio Systems, NEC, Oki and Panasonic Ecology System**, spread across the US, Japan and Hong Kong. The Group was also named the “Best Small-Cap” in Hong Kong by *FinanceAsia*’s Best Managed Companies Poll 2009.
