SUGA International Holdings Limited (“SUGA” or the “Group”, stock code: 912), a leading electronics total solutions provider, has successfully completed The 23rd Green Power Hike, a 50 km event on 30 January 2016. For its efforts, SUGA was awarded the Corporation/Organisation Cup – Outstanding Green Award in recognition of SUGA’s enthusiastic participation.

The 23rd Green Power Hike attracted more than 3,000 participants. More than 130 industrial and commercial corporations formed a historical high of more than 340 teams to participate in this popular cup event to support a green future. The event raised proceeds of more than HK\$6,000,000 to be used in the environmental education programmes organised by Green Power.

Dr C H Ng, Chairman of SUGA, said, “Giving back to society is an integral part of our corporate culture that we are proud of. We have participated in the Green Power Hike organised by Green Power for the 14th consecutive year. This year, we have garnered the ‘Corporation/Organisation Cup – Outstanding Green Award. In the past, we have also won numerous awards. Our colleagues have enthusiastically participated in the event while dedicating themselves to the sustainable development of society over the years.”

The Green Power Hike is one of the largest charity hiking events on Hong Kong Island. The annual event is held along the 50 km Hong Kong Trail to raise funds for Green Power to promote environmental education programmes. Green Power also aims to encourage the public to participate in healthy wholesome activities, so that they can have more chances to appreciate and commune with nature and learn more about ecological resources through their participation in the Green Power Hike.
