SUGA Receives “2020 Contract Manufacturer of the Year” from PreSonus in Recognition of its Outstanding and Reliable Services

Suga International Holdings Limited (“SUGA” or the “Group”) has received the “2020 Contract Manufacturer of the Year” from one of the Group’s key customers, PreSonus Audio Electronics, Inc. (“PreSonus”), recognizing its outstanding contribution to the supply chain and new product introduction.

Dr. Alfred Ng, Executive Director and Chief Technology Officer of SUGA said: “Having established a partnership with PreSonus since 2011, SUGA is delighted to receive this award. It affirms our dedication to manufacturing quality products and providing the best services and support to our customers. With the pandemic putting immense pressure on the supply chain, SUGA knows the importance of working hand-in-hand with customers in order to produce and innovate the perfect product. With a solid foundation, a commitment to providing customers with niche products of the highest quality and a comprehensive one-stop service, we are optimistic about securing additional orders from our current customer base as well as attracting new customers.”

Founded in 1995, PreSonus is a leading designer and manufacturer of both recording and live-sound hardware and software solutions that solve real-world problems for creative professionals.
