(Hong Kong, 17 February 2015) – **SUGA International Holdings Limited** (“SUGA”/ “the Group”) (stock code: 912), a leading electronics total solutions provider, has received the “2014 Best Investment Value Award for Listed Companies” (“BIVA Award”) (market capitalisation under HK\$10 billion) from BIVA’s judging panel to recognise the Group’s outstanding performance and satisfactory marketisation growth in 2013.

Dr. C. H. Ng, Chairman of SUGA, said, “We are honoured to receive this award, which indicates the recognition and support for us among the investment community. Looking ahead, SUGA strives to provide more technology-based total electronic solutions in order to create greater value for customers. The management continues to expand the business and seek further breakthroughs based on our established foundation, thus creating better long-term investment returns for our shareholders and investors.”

The second BIVA Awards (2014) aimed to commend the listed companies with improvement in business management, appreciation of asset value and corporate culture. All candidates have been recommended by cooperating organisations and individual members of the judging panel, before being reviewed by the judging panel and a public vote. The votes would then be counted by a research institute to decide the winners. The BIVA Award judging panel comprises representatives of different financial institutes including stock commentators, analysts, investors, etc.
